Division Description

The Idaho Commission for Pardons and Parole is charged with the responsibility for parole (inmates selected for release by the Commission after serving at least the minimum portion of their sentence), commutation (modification of an offender's sentence), and pardon (forgiveness of a sentence). The Commission's goal is to provide the highest degree of protection to society while providing offenders the opportunity to become responsible members of society. The five commission members are appointed by the Governor to five-year terms and are subject to Senate confirmation.
